

Gender Pay Gap Report February 2025

Diversity and inclusion are at the core values and commitment to excellence. We know that excellence can only be achieved when this diverse network of people works collaboratively in their ideas and perspectives towards a common goal. Jigsaw Foods Ltd. fosters this kind of workplace atmosphere that leads to success for both the company and employee.

People are the most important part of our culture at Jigsaw Foods. We offer a range of careers and seek a diverse group of qualified individuals during our recruitment process. That approach has led to innovations and significant growth in our business. Our goal is for our employees to feel they are respected and are growing professionally in their careers. As our people grow, our company becomes a better workplace.

Jigsaw Foods Ltd. acknowledges and complies with the requirement to publish the gender pay gap information between male and female employees as required by the Equalities Act 2010 (Gender Pay Gap Information) Regulations 2017.

The gender pay gap is the difference in average earnings between men and women regardless of the roles they perform. Gender pay differs from equal pay, which looks at the actual pay differences between people carrying out the same or comparable work.

Jigsaw Foods' calculations have been carried out in accordance with the regulations using data collected on the 4^{th} April 2024.
